Reminders from the registration form:

As the parent of a child in RE classes, I realize that I am primarily responsible for his/her religious education. As a parent, I will make sure that my child attends religious education classes each week, completes assignments, and puts into practice the religious teachings and values being learned through religious education classes. I will support the Religious Education Program by supporting the teachers in their efforts and by encouraging my child's cooperation and ensuring that my child's work and projects are completed in a timely manner. I am aware that habitual tardiness and /or absence from class may delay my child's reception of the Sacraments of First Holy Communion and Confirmation.
