

COMMEMORATIVE PLAQUES

Dear Benefactors,

We are prepared to order these two plaques (with the current donors as listed) in the beginning of January 2019. There is still time to be a part of the Altar Beautification project, in which case one ought to contact the office within the next week so as to ensure that you are included in the first engraving. Large stars can be sponsored for \$2000, small stars can be sponsored for \$1500.

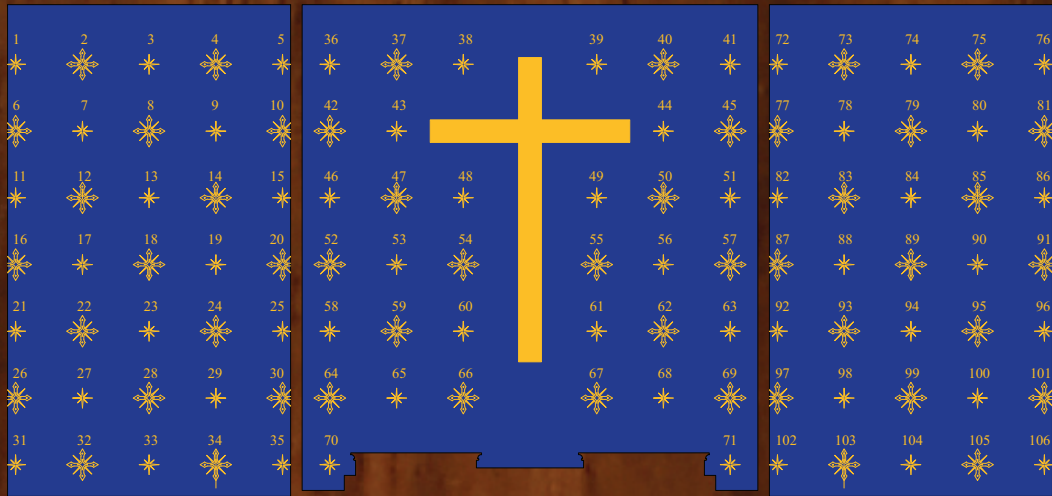

Thank you for your interest and generosity!
